

eLINK Guidance Document

Chart of Practices by Activity Category

December 2022

Practice Number & Name	Agricultural Practices	Conservation Drainage	Education/Information	Forestry Practices	Groundwater	Inventory/Mapping	Livestock Waste Management	Monitoring/Data Collection	Non-Structural Mgmt Practices	Planning and Assessment	Regulations/Ordinances/Enforcement	Special Projects	Streambank or Shoreline Protection	Subsurface Sewage Treatment Systems	Urban Stormwater Mgmt Practices	Wetland Restoration/Creation	Wind Erosion
100M - Presentations			✓									✓					
101M - Staff Time			✓									✓					
102M - Survey			✓									✓					
103M - Training			✓									✓					
104M - Workshop/Clinics			✓									✓					
105M - Publications						✓						✓					
126M - Septic System Improvement												✓	✓				
147M - Forestry Management				✓								✓					
148M - Erosion Control		✓										✓					
155M - Storm Water Retention Basins	✓						✓					✓			✓		
163M - Pond, Push-up	✓						✓					✓					
164M – Sediment Removal (formerly Pond Maintenance)	✓											✓			✓		
170M - Alternative Tile Intake - Dense Pattern Tiling		✓										✓					
171M - Alternative Tile Intake - Perforated Riser Intake		✓										✓					

Practice Number & Name	Agricultural Practices	Conservation Drainage	Education/Information	Forestry Practices	Groundwater	Inventory/Mapping	Livestock Waste Management	Monitoring/Data Collection	Non-Structural Mgmt Practices	Planning and Assessment	Regulations/Ordinances/Enforcement	Special Projects	Streambank or Shoreline Protection	Subsurface Sewage Treatment Systems	Urban Stormwater Management Practices	Wetland Restoration/Creation	Wind Erosion
172M - Alternative Tile Intake - Gravel Inlet		✓										✓					
173M - Alternative Tile Intake - Other Blind Intake		✓										✓					
300M - Contaminant Source Inventory						✓						✓					
301M - Feedlot Inventory						✓						✓					
301M - Inspections						✓					✓	✓					
302M - Ravine/Gully Inventory						✓						✓					
303M - Wetland Inventory						✓						✓					
304M - Drainage System Inventory						✓						✓					
305M - SSTS Inventory						✓						✓					
306M - LiDAR-derived Data Products						✓						✓					
312 - Waste Management System							✓					✓					
313 - Waste Storage Facility							✓					✓					
314 - Brush Management				✓					✓			✓	✓			✓	
316 - Animal Mortality Facility							✓					✓					
317 - Composting Facility							✓					✓					
325M - Walk-In Access									✓			✓					
326 - Clearing and Snagging												✓	✓				
327 - Conservation Cover	✓						✓					✓	✓		✓		
327M - Conservation Easement												✓					
328 - Conservation Crop Rotation	✓																
329B - Conservation Tillage									✓			✓					

Practice Number & Name	Agricultural Practices	Conservation Drainage	Education/Information	Forestry Practices	Groundwater	Inventory/Mapping	Livestock Waste Management	Monitoring/Data Collection	Non-Structural Mgmt Practices	Planning and Assessment	Regulations/Ordinances/Enforcement	Special Projects	Streambank or Shoreline Protection	Subsurface Sewage Treatment Systems	Urban Stormwater Management Practices	Wetland Restoration/Creation	Wind Erosion
330 - Contour Farming	✓											✓	✓				
332 - Contour Buffer Strips	✓											✓					
338 - Prescribed Burning									✓			✓					
340 - Cover Crop	✓								✓			✓					
342 - Critical Area Planting	✓											✓	✓		✓		
350 - Sediment Basin	✓											✓					
351 - Well Decommissioning					✓							✓					
360 - Closure of Waste Impoundments							✓					✓					
362 - Diversion	✓						✓					✓	✓				
366 - Anaerobic Digester							✓					✓					
367 - Waste Facility Cover							✓					✓					
378 - Pond for Water Use	✓				✓		✓					✓					
380 - Windbreak/Shelterbelt Establishment												✓					✓
390 - Riparian Herbaceous Cover				✓								✓	✓			✓	
391 - Riparian Forest Buffer				✓								✓	✓				
391M - Feedlot Relocation/Retirement							✓					✓					
392M - Fish Management									✓			✓					
393 - Filter Strip	✓						✓					✓	✓		✓		
402 - Dam												✓				✓	
410 - Grade Stabilization Structure	✓											✓	✓		✓		
412 - Grassed Waterway and Swales	✓						✓					✓	✓				

Practice Number & Name	Agricultural Practices	Conservation Drainage	Education/Information	Forestry Practices	Groundwater	Inventory/Mapping	Livestock Waste Management	Monitoring/Data Collection	Non-Structural Mgmt Practices	Planning and Assessment	Regulations/Ordinances/Enforcement	Special Projects	Streambank or Shoreline Protection	Subsurface Sewage Treatment Systems	Urban Stormwater Management Practices	Wetland Restoration/Creation	Wind Erosion
415M – Vegetated Swales												✓			✓		
449 - Irrigation Water Management					✓							✓					
468 - Lined Waterway or Outlet	✓						✓					✓	✓		✓		
472 - Access Control	✓						✓					✓					
500 - Obstruction Removal												✓	✓				
500M - Groundwater Monitoring								✓				✓					
501M - Surface Water Monitoring								✓				✓					
502M - Chloride - Anti-Ice									✓			✓					
503M - Chloride - Reduction									✓			✓					
504M - Chloride - Equipment Upgrades									✓			✓					
505M - Chloride - Pre-Wet									✓			✓					
506M - Chloride - Reduce Waste/Spills									✓			✓					
507M - Chloride - Storage and Maintenance									✓			✓					
508M - Forest Management Plan										✓		✓					
510M - Subwatershed Analysis										✓		✓					
511M - Policy Development											✓	✓					
512 - Forage and Biomass Planting	✓											✓	✓				
515M - Street Sweeping									✓			✓			✓		
516M - Enhanced Street Sweeping									✓			✓			✓		
527 - Sinkhole Treatment					✓							✓					
528 - Prescribed Grazing									✓			✓					

Practice Number & Name	Agricultural Practices	Conservation Drainage	Education/Information	Forestry Practices	Groundwater	Inventory/Mapping	Livestock Waste Management	Monitoring/Data Collection	Non-Structural Mgmt Practices	Planning and Assessment	Regulations/Ordinances/Enforcement	Special Projects	Streambank or Shoreline Protection	Subsurface Sewage Treatment Systems	Urban Stormwater Management Practices	Wetland Restoration/Creation	Wind Erosion
533 - Pumping Plant	☒						☒					☒					
543 - Land Reclamation, Abandoned Mined Land												☒					
554 - Drainage Water Management		☒										☒					
558 - Roof Runoff Management							☒					☒					
560 - Access Road	☒											☒					
561 - Heavy Use Area Protection	☒						☒					☒					
563M - Chemical Treatment (formerly Alum Addition - In Lake)									☒			☒			☒		
565M - Aquatic Vegetation Management									☒			☒					
580 - Streambank and Shoreline Protection												☒	☒				
584 - Stream Channel Stabilization												☒	☒				
585 - Stripcropping	☒											☒					
587 - Structure for Water Control	☒	☒					☒					☒			☒	☒	
590 - Nutrient Management									☒	☒		☒					
595 - Pest Management									☒			☒					
600 - Terrace	☒											☒					
604 - Saturated Buffer		☒										☒					
605 - Denitrifying Bioreactor		☒															
612 - Tree/Shrub Establishment				☒								☒	☒			☒	☒
613M - Cooperative Weed Management Area									☒			☒					
614 - Watering Facility	☒						☒			☒		☒					
629 - Waste Treatment							☒					☒					

Practice Number & Name	Agricultural Practices	Conservation Drainage	Education/Information	Forestry Practices	Groundwater	Inventory/Mapping	Livestock Waste Management	Monitoring/Data Collection	Non-Structural Mgmt Practices	Planning and Assessment	Regulations/Ordinances/Enforcement	Special Projects	Streambank or Shoreline Protection	Subsurface Sewage Treatment Systems	Urban Stormwater Management Practices	Wetland Restoration/Creation	Wind Erosion
633 - Waste Utilization							☒					☒					
635 - Vegetated Treatment Area	☒						☒					☒					
636 - Water Reuse												☒			☒		
638 - Water and Sediment Control Basin	☒											☒					
642 - Water Well							☒					☒					
643 - Restoration and Management of Declining Habitats				☒					☒			☒				☒	
644 - Wetland Wildlife Habitat Management												☒				☒	
645 - Upland Wildlife Habitat Management									☒			☒					
650 - Windbreak/Shelterbelt Renovation												☒					☒
657 - Wetland Restoration												☒				☒	
658 - Wetland Creation												☒				☒	
712M - Bioretention Basin												☒			☒		
720M - Native Pocket Planting: Raingarden									☒			☒					
721M - Native Pocket Planting: Shoreline Buffer									☒			☒					
722M - Native Pocket Planting: Boulevard									☒			☒					
723M - Beneficial Trees and/or Shrubs									☒			☒					
724M - Pollinator Lawn									☒			☒					
725M - Pollinator Meadow									☒			☒					
803M - Infiltration Practices (formerly Infiltration Trench)												☒			☒		

Practice Number & Name	Agricultural Practices	Conservation Drainage	Education/Information	Forestry Practices	Groundwater	Inventory/Mapping	Livestock Waste Management	Monitoring/Data Collection	Non-Structural Mgmt Practices	Planning and Assessment	Regulations/Ordinances/Enforcement	Special Projects	Streambank or Shoreline Protection	Subsurface Sewage Treatment Systems	Urban Stormwater Management Practices	Wetland Restoration/Creation	Wind Erosion
804M - Permeable Surfaces												☒			☒		
805M - Green Roof												☒			☒		
806M - Turf Management												☒			☒		
807M - Multi-stage Ditch									☒			☒					
808M - Rotational Grazing	☒											☒					
809M - Tile System Design												☒					
810M – Storage and Treatment Wetland Restorations												☒				☒	
811M - Filtration Practices												☒			☒		
812M - Screening, Straining, or Hydrodynamic Separation Practices												☒			☒		
813M - Storage and Settling Practices												☒			☒		
Easement Implementation									☒			☒
